Kiona Vineyards and Winery 2014 Estate Red Mountain Lemberger

“Medium bodied, spicy and showing a solid backbone of acidity, this wine is juicy but nicely balanced. On the nose, dried blueberry and fig mix with notes of milk chocolate, cardamom, spice cake and a hint of dried herbs. Flavors of black cherry and blueberry, along with a big dose of peppery spice, are upfront with notes of cocoa and a minerality alluding to dusty gravel on a nicely structured dry finish.”
