Kiona Vineyards and Winery 2016 Columbia Valley Chenin Blanc

“An early harvest locked in beautifully bright fruit character in this 100% Chenin Blanc. On the nose are bright notes of lemon, yellow apple, a touch of fresh ginger and just a hint of oiliness typical of the varietal. Flavors of lemon continue upfront on the palate, with green apple, tart pineapple and a touch of chalk minerality that emerges as the bright finish lingers.”
