## **2018 Kiona Chenin Blanc Estate Red Mountain Ice Wine**

---

The 2018 Chenin Blanc Estate Red Mountain Ice Wine is an unctuously viscous wine that coats the glass. The wine smells of honeyed peaches, apples in syrup and orange marmalade. The full-bodied palate is syrupy sweet with a refreshing lemon apple flavor that shows a good balance of acidity and sweetness, ending with a long, lingering finish. 2,290 cases produced.
