The 2019 Malbec Estate Bottled, crafted with 5% Cabernet Sauvignon, originates from the Sunset Bench Vineyard. Unveiling a captivating aromatic profile, the wine opens with notes of blackberry, turned earth and bitter dark chocolate complemented by hints of oak and black cherry. Medium to full-bodied, the palate showcases fine, gripping tannins that promise to maintain their food-friendly character for years. A delightful mineral tension emerges. The wine ends with dusty dark fruit flavors on the spicy finish. Approximately half of the wine aged in new French oak for about three years, while 6% aged in new American oak. 11,311 bottles were produced.

Producer: Kiona

From: USA, Washington, Columbia Valley, Yakima Valley, Red Mountain
