*HIGHLY RECOMMENDED*

**2020 Estate Bottled**  
**Red Mountain Lemberger**

“The famous Red Mountain Lemberger from Kiona is often the first Red Mountain wine that new Washington wine drinkers happen upon. This is due to its availability, price and reputation. The Williams family is committed to this unique grape planting, and year after year, their persistence bears out. Bright and cheery aromatics of Bing cherry, cinnamon spice and clove, the palate is full of dusty red berries, hints of sage and fine grain tannins give this red-fruited medium bodied wine plenty of structure. At \$18 this proves a perennial bargain and gateway wine for the region.”
