

2021 Kiona Vineyards And Winery Cabernet Sauvignon Estate Bottled

Celebrating the winery's 50th anniversary of planting Cabernet Sauvignon in Red Mountain in 1975, the 2021 Cabernet Sauvignon Estate Bottled, released in 2025, is a worthy showcase of moderate color and soft, melty tannins. Red fruit is accented in blood orange and a light dusting of nutmeg spice, and it's low in oak with medium-bodied approachability. Drink now and over the next 5-7 years.
