## **2021 Kiona Vineyards And Winery Estate Bottled Reserve**

---

The 2021 Estate Bottled Reserve has more obvious oak yet still holds it together, offering sweet red and black fruits, cedary herbs, and spice-driven aromatics as well as medium-bodied richness and depth on the palate.

The tannins are ripe and nicely integrated, and it's going to benefit from 2-3 years in the cellar and should easily keep through 2031+.
