

**89****2021 Kiona Columbia Valley Chenin Blanc**

The 2021 Columbia Valley Chenin Blanc offers classic notes with yellow apple, wax melon, white peach and citrus blossom on the nose. Medium-bodied, the palate is complex, layered and focused with bright flavors of lime candy and apple and lemon skin before showing a delicate mineral tension with crunchy pomaceous fruit flavors. The Chenin glides to a lingering, citrus-laced finish that drinks particularly well for the price.
