

JEB DUNNUCK**90**

2021 Kiona Vineyards And Winery Sangiovese

Spiced cherries, spring flowers, cedar, and smoked herb notes all emerge from the 2021 Sangiovese, a medium-bodied, elegant, pretty Sangiovese with supple tannins and a good finish. It's well-made, balanced, and already offers loads of pleasure. I don't expect it to make old bones, so drink bottles over the coming couple of years.
