

## 2021 Kiona Malbec

---

The 2021 Malbec was blended with 5% Cabernet Sauvignon and matured for 23 months in 16% new French oak. It has intense aromas of cassis and wild berry pie plus nuances of cigar box, charcuterie and allspice. The full-bodied palate is plush and ripe with bombastic berry flavors, though it also offers alluring spice and graphite character. It's structured by soft, powdery tannins and juicy acidity and has a long, flavorful finish. 537 cases produced.
