**Kiona Vineyards 2021 Malbec Red
Mountain**

Red Mountain, Washington State

Red wine from United States

Drinking window: 2024 - 2029

A burst of blood orange and gingery spice gives way to raspberries and hints of mint as the 2021 Malbec Red Mountain comes to life in the glass. Soothingly round with a pretty inner sweetness, this cascades across the palate with perfumed red berry fruits and citrus tones. Gently tannic yet youthfully firm, it tapers off with admirable length and poise while maintaining notable freshness.

Eric Guido. Tasting date: October 2024
