**2021 Estate Bottled Red Mountain
50th Anniversary Cabernet Sauvignon**

“With the throwback label, the 2021 Kiona Cabernet celebrates 50 years of Red Mountain come 2025. The Williams family has deep roots here, as John Williams and Jim Holmes founded Red Mountain. The third generation of Williams, brothers JJ and winemaker Tyler, now carry the mantle in this celebratory Cabernet Sauvignon. Balanced and bright aromatics of red bramble fruits, desert sage and dried lavender make for a showing introduction. A note of spice lifts a purity of fruit and floral character. The palate shows spices and wild strawberries, with dried anise and brilliant bright blood orange.”
