

2022 Kiona Lemberger

The 2022 Lemberger (a.k.a. Blaufränkisch) was blended with 3% Merlot and matured for eight months in used oak. It has a pale ruby color and layered aromas of wild berries, mushrooms, bitters, potpourri and licorice. The medium-bodied palate is bursting with detailed, spicy flavors. It's enlivened by juicy acidity and has a long, energetic finish. This is dangerously easy to drink! 3,403 cases produced.
