*HIGHLY RECOMMENDED*

**2022 Estate Bottled**  
**Red Mountain Reserve**

“A balanced blend of Cabernet Sauvignon, with lesser parts Merlot, Cabernet Franc and Petit Verdot coming from three different Kiona estate sites on Red Mountain. The aromatics are floral and savoury, showing elegance with smoky violets, dried lavender and desert scrub. The palate shows a depth of red and black berries and plenty of spice across the palate with savoury garrigue pop and piquant notes of salted blood orange. The finish shows cocoa nibs and mint leaves, giving a sense of refinement and pedigree from the appellation's founding family.”
