

2022 Kiona Red Mountain Reserve

The 2022 Red Mountain Reserve is a blend of 49% Cabernet Sauvignon, 27% Merlot, 18% Cabernet Franc and 6% Petit Verdot matured for 22 months in 44% new French oak. It has layered aromas of red cherries, blueberries, allspice, charcuterie and loamy earth. The full-bodied palate is bursting with spicy, savory flavors. Structured by chalky tannins and fireworks of fresh acidity, it's light on its feet and has a long, nuanced finish. A total of 453 cases were made, and the wine will be released in the summer of 2025.
