## **2023 Columbia Valley Riesling**

“I'm not sure there's a better \$15 wine in America than this off-dry Riesling coming from renowned vineyards in both Yakima and Red Mountain AVAs (Olsen and Kiona Estate), with the oldest vines on Red Mountain planted in 1975 contributing to this wine's delicious complexity—aromatics of sweet yellow peaches, honeyed ginger and an exotic cardamom driven spice. The palate is balanced brilliantly between the rounded honeyed apricot and a wistful lift of spiced pear at the finish.”
