

2023 Kiona Chenin Blanc Old Vine

The 2023 Chenin Blanc Old Vine comes from vineyards planted between 1979 and 2004. It was blended with 8% Viognier and 2% Roussanne and aged for seven months in 9% new French oak. It's scented of peach and apple cider with touches of beeswax and autumn leaves. The medium-bodied palate is concentrated, honeyed, textural and gently sweet with around five grams per liter residual sugar. It's balanced by mouthwatering acidity and has a long, flavorful finish. 1,996 cases produced.
