## NV Kiona Cyclops

---

A non-vintage blend made from the 2018 and 2019 vintages, the NV Cyclops is a blend of Syrah, Mourvèdre and Grenache. The wine begins with notes of dusty red cherry, black raspberry and red florals with a subtly spiced potpourri core. Full-bodied, the mouthfeel is still tight yet pleasing with a fine mineral tension that stretches to meet the long, lingering and delicious finish that should age beautifully over the next five years. Only 200 cases were made.
