

VINEPAIR

93

**Kiona Vineyards Estate Bottled
Red Mountain Cabernet
Sauvignon 2022**

POINTS

Kiona was the first winery to plant vines in Washington's Red Mountain District, and Cabernet Sauvignon was one of the first grapes to be planted in the soil. This estate bottling, carefully blends wines from all five of Kiona's Cab growing sites. It's savory and rich with soft yet prominent tannins and vibrant berry fruit. The wine evolves in the glass over time, with ripe plum, cedar, and spice emerging as you sip.
