

JEB DUNNUCK

91 POINTS

Kiona Vineyards Red Mountain Nyx II

“The NV NYX II is a more Mourvèdre-dominated cuvée that includes 15% Syrah and 5% Grenache, brought up mostly in neutral oak. Dense purple-hued, with notes of red and black fruits, leady herbs, olive tapenade, and some gamey notes, it’s medium to full-bodied, has a fresh, lively texture, no shortage of fruit, and a great finish. It should evolve for 8-10 years.”
