Red Mountain Nyx

“This unique blend of Sangiovese, Syrah, and Merlot comes from the 2022 vintage, which had a prolonged, warm harvest into late October. This wine shows red fruits and florals, with ripe cherry, candied raspberry, and mint leaf aromatics. The palate has a nice grip, with wild strawberries and peppery spice. There's a freshness but ample structure and power across the palate, finishing with a melange of baking chocolate and spice.”
