

2022 Kiona Cabernet Sauvignon Heart of the Hill

From vines planted in 2006, the 2022 Cabernet Sauvignon Heart of the Hill was blended with 12% Merlot and 6% Petit Verdot and matured in 49% new French oak. It has intense aromas of cassis, dried plums, violet, gravel and soft oak spice. The full-bodied palate features dark, floral flavors. It's structured by powdery tannins and bright acidity and has a long, layered finish. It should be long lived in the cellar.
