

## 2022 Kiona Chenin Blanc Ice Wine

---

The 2022 Chenin Blanc Ice Wine comes from the Kiona Estate Vineyard. Grapes were harvested on November 22 and bottled in a 375-milliliter format. It has savory scents of bruised apples and pears, honey, autumn leaves, olives and spicy undertones. The palate's honeyed fruit, satiny texture and 152 grams of residual sugar are balanced by taut acidity, and it has a very long finish. 2,605 cases were made.
