

2022 Kiona Mourvèdre Heart of The Hill

The 2022 Mourvèdre Heart of The Hill matured for 33 months in used oak. It has inviting scents of blackcurrant, blueberry, cracked pepper, garrigue and charcuterie. The medium-bodied palate features bright, crunchy flavors and becomes more expressive as it spends time in the glass. It's framed by chalky tannins and has a long, refreshing finish. 516 cases were made.
