

2023 Kiona Lemberger

The 2023 Lemberger was blended with 4% Merlot and matured for 17 months in used oak. It has a pale ruby color and arresting scents of red cherry, raspberry, bergamot, garrigue and floral potpourri. The medium-bodied palate is bursting with spicy fruit. It's framed by chalky tannins and bright acidity and has a long, spicy finish. This is dangerously easy to drink! 2,860 cases were made.
