BUYING GUIDE

93 POINTS

Cyclops II (Red Mountain)- Kiona NV: "Cyclops II is an equal blend of Syrah and Mourvèdre from 2011, and Grenache from 2009. Complex and fragrant, it's a perfect match of strengths. Strawberry, cherry and blue plum fruits are underscored with layers of earth, graphite and licorice. It's already nicely balanced, and its nonvintage makeup may have helped push along the aging process. Drink now and over the next five years." - P.G.
