

Kiona

A 40-Year Tradition

We're not Kiona Cellars. We're not Kiona Selections. We are Kiona Vineyards. That's an important distinction for us to make, because we grow grapes. For our own winery and for more than 50 others. Kiona Vineyards is formed by five estate Red Mountain sites, all with their own distinct personalities and charisma. They are the essence of our family's forty-year tradition.

- 1.) Kiona Estate
- 2.) Heart of the Hill
- 3.) Ranch at the End of the Road
- 4.) Sunset Bench
- 5.) Artz Vineyard
