HIGHLY RECOMMENDED

2021 Estate Bottled
Red Mountain Malbec

“Malbec is the fifth most planted variety on Red Mountain. Most of this wine is sourced from the tiny hillside site called Sunset Bench, with just a dab of Kiona Estate blended in. The aromatics are warming and generous. Ripe black plums and frankincense meld with warm spices and chipped black stone. The palate is dominated by black and blue fruits, ripe boysenberry, black plums and fleshy strawberries, hints of smoky stone minerals and a note of black pepper spices the finish.”
