2017 ESTATE RED MOUNTAIN CABERNET SAUVIGNON

Cabernet Sauvignon is king on Red Mountain. From the humble beginnings of our pioneering 1975 planting to today, we've grown Cabernet Sauvignon on Red Mountain longer than anyone. This 2017 iteration features fruit from our venerable Heart of the Hill estate vineyard, a Red Mountain powerhouse known for density and purity of fruit.

Cabernet Sauvignon represents nearly 60% of our estate acreage on Red Mountain; it's the only grape planted at all five of our estate vineyards. Our continued viability depends on this grape and this wine. As one of the few Estate Bottled Red Mountain Cabernet Sauvignon wines widely available in national distribution, it serves as a resume for the rest of the AVA. We have to be accountable to each other, the history we have built, and the future generations that will continue our work.
