Cellar Selection

Kiona 2022 Estate Bottled Ice Wine Chenin Blanc (Red Mountain)

This ice wine made my knees weak, and it wasn't all because of the 152.4 g/L of residual sugar. Butterscotch and spearmint flavors explode from the glass, followed by puffs of mango and honeycomb. Yes, this is a sweet, rich nectar, with passion fruit and lemon gelato flavors. The key is the wine's blazing acidity, which takes it to another level. Enjoy now until 2038.
