## 2018 COLUMBIA VALLEY ESTATES CUVÉE

2018 Kiona Vineyards Columbia Valley Estates Cuvée is both a name and a definition. In 2018, we had five estate vineyards: Kiona Estate, Heart of the Hill, Ranch at the End of the Road, Vista, and Nine Canyon. This is a cuvée blended from all five of those sites.

In 2019, we sold Vista and Nine Canyon, sites near Kennewick, WA, to purchase Artz Vineyard. So while Vista and Nine Canyon are no longer a part of our vineyard holdings in 2023, the fruit continues to “live on” in this 2018 blend. Declassified fruit from some of Red Mountain’s most sought-after blocks ends up in this wine.

Cabernet Sauvignon takes the driver’s seat in the 2018 version of Estates Cuvée, and for good reason; it’s delicious, we have it planted everywhere, and Red Mountain is famous for it. Blended to be the perfect glass pour for that corner bistro you really enjoy, we want Estates Cuvée to be easy-to-like while offering plenty of layering and depth.

It’s the Mr. Rogers of Kiona’s neighborhood: serious but approachable.
